

National Network of State Adolescent Health Coordinators

Regional Calls for State Adolescent Health Coordinators

2020

The NNSAHC volunteer leadership structure includes four Members-At-Large (MALs) who provide leadership and facilitation for connections among state adolescent health coordinators (SAHCs) and other key AH focused staff in state health departments in their regions. This regional structure follows the HRSA/MCHB regional structure:

NNSAHC REGIONAL STRUCTURE

Regional Call Frequency and Schedule for second half of 2020

(All times noted in Eastern Time)

NNSAHC Members-At-Large facilitate calls for SAHCS in their regions every other month to provide regular opportunities for peer sharing and learning. Call logistics are supported by the [State Adolescent Health Resource Center at the University of Minnesota](#), a partner of the [Adolescent and Young Adult Health National Resource Center](#).

	July	Aug	Sept	Oct	Nov	Dec
